(*hereinafter called "Act", which is by reference incorporated into and made a part of this note*), and the Borrower understands and agrees the note represents a service repayable loan that shall automatically convert to a cash repayable loan upon loss of service eligibility, failure to complete eligible service for and under the prescribed timeframe, or noncompliance with any program requirements as established and determined by GSFA.

Approval of this Loan is contingent on the borrower meeting all eligibility criteria as prescribed by the Authority. The borrower further understands the Authority is not obligated, now or at any time, to make this or any other Loan. The interest rate on this loan shall be a fixed interest rate based upon the prime rate plus two percent (2%) (not to exceed 10%) as of January 2 prior to the fiscal year prior to the beginning of the Loan Period in July. The borrower understands that the Authority will transfer the proceeds of this Loan to the Eligible Postsecondary Institution electronically based upon the Eligible Postsecondary Institution's recommended disbursement date(s). Qualified higher education expenses include tuition, fees, room, meals, books, supplies, transportation, and personal expenses as determined by the Eligible Postsecondary Institution and as defined by Federal Title IV Program Regulations.

PROMISE TO PAY

For value received, I promise to pay to the order of the Georgia Student Finance Authority ("the Authority") the sum equal to the loan amount TO THE EXTENT SUCH SUM IS ADVANCED TO ME, plus simple interest and any additional amounts that may be assessed to the loan.

Interest shall calculate and accrue at the rate prescribed, published, established by GSFA, and in effect as of the date of execution of this agreement. Interest shall accrue during documented, approved, and eligible periods of in-school, grace, extended grace, deferment, or service repayment status, as determined by GSFA. However, interest shall accrue during periods of cash repayment and forbearance at the prescribed rate.

This Promissory Note ("Note") evidences a service or cash repayment obligation arising from and in consideration of the disbursement of a Behavioral Health Professions Loan ("Loan") to Borrower. The Behavioral Health Professions Service Cancelable Loan (BHP SCL) Program is governed by O.C.G.A. §§20-3-374 et seq., Behavioral Health Professions Loan Program Regulations ("Regulations") adopted by GSFA, the terms and conditions of the program application ("Application"), and all notices to be issued to Borrower, including but not limited to notices or awards, or replacement of awards ("Notices"). Interest shall not accrue during documented, approved, and eligible periods of in-school, active, extended grant deferment, or service repayment status, as determined by GSFA. However, interest shall accrue during periods of cash repayment and forbearance at the prescribed rate. In no event shall the interest rate due hereunder exceed ten percent (10%) per annum. The rate may or may not, at any time, be the best or the lowest rate available in the market. Interest is computed daily and will begin accruing on the Outstanding Principal Amount on the first day immediately following the date GSFA determines Borrower is in Cash Repayment Status.
4. **Cash Repayment Schedule.** Within a reasonable time after it has been determined that Borrower is in Cash Repayment Status, GSFA will provide Borrower with a Cash Repayment Schedule. This authorization will remain in effect until the Authority is notified by the Borrower in writing to cancel it in such time as to afford the Authority and Borrower's bank a reasonable opportunity to act on it. Borrower understands that providing bank account information is optional and not required to obtain this Loan, but Borrower acknowledges that the Authority recommends that Borrower make all loan payments via ACH to help reduce the risk of fraud.
7. **Credit Reporting During Repayment.** If the Borrower is delinquent or in default, this Loan may be reported to national credit reporting agencies and may significantly and adversely affect Borrower's credit history and Borrower's ability to obtain credit in the future.
